Dear Mr. Brunson,

On behalf of the staff and board of directors of Partners For Youth, thank you for your generous support of this organization. You can be proud that you are helping students reach their dream of attending college. Currently we have 9 students in their freshman year (one of our seniors completed high school semester early and already has started at NCCU) and 5 others making plans to attend college next fall. This summer, for the first time, we are offering a camp for middle schoolers. We are excited about working with younger students who may be interested in joining PFY in the Fall.

Please use this document as a tax receipt for your last donation, which is described below.

Thanks again for your support.

Sincerely,

Leigh Bardley
Executive Director
